

MOBILE ACCESS

We are pleased to announce our new, mobile friendly website for both the participant and sponsor.

Now you can stay current with your retirement plan account through this site at any time during your busy schedule. There is no application to download. Simply go to www.orientalpc.com on your mobile device and login with your username and password. Your account information will be at your fingertips in an easy-to-read format.

SUMMARY

Displays Personal Information, At-a-Glance, Status and Service, Contributions, and Recent Transactions.

PERSONAL INFORMATION

Allows for editing General information, Phone Numbers, E-mail information, and Alternate Verification information.

ACCOUNT BALANCE

Information by source, investment, or both.

TRANSACTION HISTORY

Plan related transaction history.

INVESTMENT ELECTIONS

Rules and criteria in regards to investment election changes, as well as allowing for updates of previously elected allocation percentages.
